

## RAK20 SERIES DP, 20° PA

### Multiple Rack, Milling Cutter

Many other pitches available from stock. Please inquire.  
\*60° inc. angle thread cutters, inquire on RMK60 Series.

### SPECIAL COATINGS

*Ideal for the long-running production job or for the recurring short run. The decrease in down time and the increase in parts per sharpening will make a big difference in your overall cost. Titanium Nitride, "Gold" coated tools carried in-stock for quick delivery.*
